

Important Information for Parents

• Inclement Weather Policy

* Please get in the habit of checking the website every morning before bringing your child to practice. The website will be up dated every morning by 7:05am, telling you whether or not we have practice.

* Practice will be canceled if it is raining or lightning

* If the weather is too cold to get in the water (below 65 degrees by 7am) then we will have dry land practice. So please make sure that your child brings tennis shoes and sweats to practice with them on those days

• Dropping kids off in the morning

* Do NOT drop your children off before 7:15am unless you physically see a coach and they acknowledge that you are dropping your child off.

* Please make sure that your child can enter the pool area before leaving them. The gate will always be open no later than 7:20am. If the gate is not opened by that time then you can safely assume that we are not having practice

• Practice

* Please do not come up to talk to Jake or I while we are having practice. During practice times are main concern is watching the swimmers in the water.

• Swim Meets

* Our first competitive swim meet is this Thursday, which will be held here.

* Warm-ups start at 5:30p and the meet starts at 6:00p

* It would be best to have your swimmers at the pool no later than 5p so they can check in with Jake or I no later than 5:15p

• Dates that your child will not be here

* If your family is going on vacation I need to know those dates ASAP so I can plan ahead for swim meets. My email address is the best way to let me know this information and it is braves86@gmail.com My email address and phone number are also located on the website.

• Checking the Website & Announcement Board

* Please get in the habit of checking the website for answers before calling me or Bekci. Most answers can be found on the website. However, if you can't find the answer on the website please feel free to call either one of us.

• Volunteers

* We need a parent to volunteer to bring doughnuts on Friday for the swimmers to eat after practice is over. If you can volunteer for this position please let me or Maureen know ASAP.

• Email address

* I would like to have everyone's email address so I can communicate better with you for anything that I need to let you know. Email is my best way of communication because I am all over the place and very busy. There will be a sheet a paper for you to write your email address down on as you leave.
